EXPERIENCE

I have done 2 month of internship in Headquarter of Rwanda Energy Group (REG) at GIKONDO Since when I was in last year of my Secondary school and it was all about Communication System.

Final during my time in A1 of I.T i went deeply in programming languages Especially in PHP, PYTHON together with markup language like HTML, CSS and additionally am informed excellently in UI Design based on use of XML language in android Studio and it all about Layout.

And am experienced in Sony Vegas Software, Photoshop Software, Windows Video Maker Software by the purpose of creating different perfect View to show people like Animation and some of those are shown-up on <http://www.imisozi.cf> Like Ads, Gif.

ACTS

Am Founder of imisozi. Where I have built this Website called imisozi (<http://www.imisozi.cf>) when I was in I.T Level II by use of WordPress Technology but to make better look of Website I used HTML and CSS to customize my website.

Am Founder of imbuga. Where I have developed this Android Application called imbuga (<http://www.mediafire.com/file/povnrldhyeo5eck3/imbuga.apk/file>) when I was in I.T Level III by use of Android Studio Software and Photoshop Software to make good appearance but this application is Designed for Techno, Itel, HTC Mobile Smartphones as well as it is popular mobile devices mostly used here in my Country and there some Android Version does not compatible with this Application.

This is my Github Project Respiratory Account (<https://github.com/key-joshua?tab=repositories>).

This is my YouTube Channel where i create different video to show people by using different software I mentioned above (<http://www.youtube.com/c/LYRICSSS-Music-Video-lyrics>)
